KED 640

ESPRESSO GRINDER

The "on demand" grinder KED 640 is revolutionizing the art of making coffee. Each portion is individually and freshly ground on demand. Coffee shops, restaurants, hotels and catering companies appreciate the tasteful coffee with its perfect aroma and crema.

- Each portion individually and freshly ground on demand.
- No pre-grinding necessary, eliminating coffee wastage and preventing coffee staling.
- Gentle, cool and uniform grinding preserves unique coffee aroma and maximizes crema.
- Electronically controlled for exact and consistent grind dosage level.
- Individually adjustable selection for both single and double shot doses.
- Simple and accurate adjustment of grind fineness to maintain consistent shot pour rate.
- Electronic counter to track number of both single and double shot doses delivered.
- Precision long-lasting grinding discs.
- 1.65 lbs hopper with lid and slide-stop.
- Easy to clean, maintain and service.
- Illuminated operating display.
- Unique design.
