## KS 1 / KS 3

Utilizing latest technology and manufacturing methods, an impressive combination of advantages has been packaged into this unit at a very attractive price.

Uniform grinding at all settings, extremely durable discs (re-sharpening 2–3 times for extended life present an additional benefit to reduce maintenance cost), high-torque motor, ease of use and minimal service needs are just a few of the highlights.

- ☞ Self service application.
- ☞ High speed grinding without overheating the coffee beans.
- ☞ Uniform grind quality similar to our larger grinders.
- ☞ Wide range of grinds, from Turkish to Percolator.
- ☞ Simple, sturdy construction.
- ☞ Easy maintenance and upkeep. Very user-friendly.
- ☞ Excellent price/performance ratio.
- ☞ The same Swiss quality & precision that our top-line models offer.
